Services And Attractions

Fun Time Productions is a nationwide provider of trackless trains and provides a large array of items and services for company picnics, corporate events, community gatherings and so much more! We can facilitate every aspect that makes your event FUN!

Our business was created many years ago to provide fun, unforgettable memories utilizing the most realistic trackless trains and some of the most popular attractions in the business. Starting with birthday parties and church gatherings, Fun Time Productions has grown into one of the area's most well known trackless train and event planning specialist. Based in a small town near Louisville, Kentucky, Fun Time Productions has serviced large corporate and community events across the United States with a concentration in Kentucky, Ohio, Indiana, Illinois, Tennessee, Mississippi, West Virginia and Florida.

We pride ourselves on professionalism, responsiveness, competitive pricing and our outstanding safety record. We are committed to delivering a flawless event that creates lasting memories for you and your guests.
